| LO 5. To promote learner independence by encouraging students to return to early study skills to refresh their memories, or see how new skills build on and develop those previously presented. | lack of independent activity skills; low level of motivation in the learning process. | solves a reproductive; problem; uses literature under the teacher's guidance. | solves problems and any teacher's tasks independently; presents the result obtained; exercises self-control; self-corrects actions; performs adequate self-assessment of actions. | independently solves tasks and any teacher's assignments; presents the obtained result; exercises self-control performs step-by-step self-correction of actions; performs adequate self- assessment of actions; helps other students. |
|---|---|---|---|--|

10.2 Criteria for evaluating the learning outcomes of the discipline

Practical lesson's Checklist

| Grading by letter system | Digital equivalent of points | Pro valuable content | Evaluation according to the traditional system | Criteria for assessing students' knowledge |
|-----------------------------|------------------------------------|-------------------------|--|--|
| A | 4.0 | 95-100 | Excellent | deep and solid mastering of the program material; complete, consistent, competent and logical answers; the ability to freely cope with the tasks; correct, justified decisions; skills of using the information of the main and additional specialized literature; the ability to self-systematize program material; universal skills and methods for performing all types of tasks; ability to work with foreign literature and information resources of the Internet; Timely and high-quality performance of all types of tasks. |
| A- | 3.67 | 90-94 | | deep assimilation of program material; complete, consistent and logically formulated answers; ability to cope with assigned tasks; made the right decisions; skills of using special literature on the subject; the ability to independently systematize the program material; skills and techniques to perform all types of tasks; |

| | | | | - timely execution of all types of orders. |
|----|------|-------|------|--|
| B+ | 3.33 | 85-89 | | - assimilation of program material; - complete, consistent, competent, without significant inaccuracies, presentation of answers for all types of tasks; - correct application of theoretical knowledge; - skills required to perform applied tasks; - skills of using the recommended literature on the subject; - skills of systematization of program material; - skills and techniques to perform all types of tasks; - Timely completion of all types of tasks. |
| В | 3.0 | 80-84 | Good | - assimilation of program material; - consistent presentation of answers to all types of tasks with minor errors; - skills of applying theoretical knowledge under the guidance of a teacher; - skills necessary to perform practical tasks; - skills of using the recommended literature on the subject; - skills of systematization of program material under the guidance of a teacher; - skills to perform all types of tasks; - Ability to self-correct mistakes; - timely completion of all types of tasks with the elimination of errors. |
| B- | 2.67 | 75-79 | | assimilation of program material; the ability to submit answers with minor errors; skills of applying theoretical knowledge under the guidance of a teacher; mastering the methods of performing practical tasks; skills of using the recommended literature under the guidance of a teacher; skills of generalization of program material under the guidance of a teacher; the ability to correct mistakes with the help of a teacher; timely completion of all types of tasks with the elimination of errors. |
| C+ | 2.33 | 70-74 | | - assimilation of the main material; - insufficiently correct wording when answering all types of tasks; - violation of the sequence in the presentation of the program material; - difficulties in independent performance of |

| | | | | practical tasks; - certain techniques for performing practical tasks; - skills of using the literature recommended by the teacher; - skills of summarizing individual sections of the program material under the guidance of a teacher; - the ability to correct gross errors with the help of a teacher; - performance of all types of tasks with elimination of errors. |
|----|------|-------|----------------|---|
| С | 2.0 | 65-69 | | - assimilation of the main material; - misunderstanding of the wording when answering all types of tasks; - lack of consistency in the presentation of the material; - difficulties in independent performance of practical tasks; - certain methods for performing tasks; - difficulties in using the literature recommended by the teacher; - difficulties in summarizing individual sections of the studied material; - the ability to correct gross errors with the help of a teacher; - performance of all types of tasks with elimination of errors. |
| C- | 1.67 | 60-64 | Satisfactorily | assimilation of the main material; misunderstanding of the wording when answering all types of tasks; lack of consistency in the presentation of the material; significant difficulties in independent implementation of practical tasks; insufficient mastery of certain techniques for performing tasks; significant difficulties in using the literature recommended by the teacher; significant difficulties in the synthesis of individual sections of the studied material; the ability to correct gross errors with the help of a teacher; performance of all types of tasks with elimination of errors. |
| D+ | 1.33 | 55-59 | | assimilation of individual sections of the main material; misunderstanding of the wording when answering all types of tasks; |

| 12. Course policy | |

- 1. Do not be late for classes;
- 2. Be punctual and mandatory;
- 3. Observe safety precaution and fire safety, follow instructions;
- 4. Actively participate in the educational process;
- 5. Do not miss classes, in cases of absence due to illness, provide a certificate;
- 6. Work out missed classes at the time appointed by the teacher;
- 7. Each student must be present until the end of the class;
- 8. Take homework seriously;
- 9. Be tolerant and friendly to fellow students and teachers;
- 10. Wear the appropriate uniform (white robe, cap) at the academy;
- 12. A learner who has scored a low score (less than 50 points) when passing midterm exam has two attempts for retaking and when the next attempt is taken away 10 points from the total score.
- 13. The "Task" module of AIS is the main platform for remote training and placement of all educational methodological materials.

13. Academic policy based on the moral and ethical values of the academy

Academic policy. 11.4 Student Honor Code

The student aspires to become a worthy citizen of the Republic of Kazakhstan, a professional in the chosen specialty, to develop in himself the best qualities of a creative personality.

The student respects the elders, does not allow rudeness towards others and shows sympathy for the socially vulnerable and takes care of them to the extent possible.

The student's pattern of decency, culture and morality is intolerant of immorality and does not discriminate on the basis of sex, nationality or religion.

The student leads a healthy lifestyle and completely abandons bad habits. The student respects the traditions of the university, protects its property, monitors cleanliness and order in the student The student recognizes the necessary and useful activities aimed at developing dormitory. creative activity (scientific, educational, sports, artistic, etc.), at improving the corporate culture and image of the university. Outside the walls, the student always remembers that he is a representative of the higher school and makes every effort not to drop his honor and dignity.

The student considers it his duty to fight against all types of academic dishonesty, including: writing off and asking others for help when undergoing knowledge control procedures; Submission of any volume of training materials (abstracts, course, control, diploma and other works), including
