## Syllabus

### Department of Social and Humanitarian Disciplines Discipline work program on “Sociology and Political Science” Educational program “6B10115 - Medicine”

1.	General information about discipline		
1.1	Code discipline: SP 2109	1.6	Academic year: 2024-2025
1.2	Discipline: Sociology and Political Science	1.7	Year: 2
1.3	Prerequisites: History of Kazakhstan; Legal, economic, environmental and scientific knowledge, philosophy	1.8	Semester: 4
1.4	Postrequisites: -	1.9	Number of credits (ECTS): 120 (4 credits)
1.5	Cycle: GEC	1.10	Component: UC
2.	Description of the discipline:		
Formation of socio-political knowledge, application skills, generalization of scientific research methods. Sociology and sociological perspective. Social structure and stratification. Education and social inequality. Health and medicine. Civilizational identification of Kazakhstan in the global world. Politics in the structure of public life. Power as a political institution. State and civil society. Political culture, ethics and behavior. Sovereign Kazakhstan in the system of interstate relations.			

3.	Summative assessment form		
3.1	Testing +	3.5	Coursework
3.2	Writing	3.6	Essay
3.3	Oral	3.7	Project
3.4	OSPE / OSCE or Practical Skills Acceptance	3.8	Other (specify))
4.	Purpose of the discipline		
Formation of a system of general competencies that ensure the socio-cultural development of the future specialist’s personality based on the formation of his ideological, civic and moral positions.			

5.	Final Learning Outcomes (Discipline’s LO)
LO 1	Assesses situations in various areas of interpersonal, social and professional communication, taking into account basic knowledge of sociology, political science, cultural studies and psychology.
LO 2	Demonstrates personal and professional competitiveness.
LO 3	Applies acquired knowledge for effective socialization and adaptation in changing socio-cultural conditions.
LO 4	Possesses the skills of quantitative and qualitative analysis of social phenomena, processes and problems.
LO 5	Distinguishes the strategies of different types of studies of society and justifies the choice of methodology for the analysis of specific problems.
LO 6	Evaluates the specific situation of relations in society from the standpoint of a particular science of the social and humanitarian type, designing the prospects for its development, taking into account possible risks.

<p style="text-align: center;"> <small>ОҢТҮСТІК-ҚАЗАҚСТАН</small>  <b>MEDISINA</b>  <b>AKADEMIASY</b>  <small>«Оңтүстік Қазақстан медицина академиясы» АҚ</small> </p>		<p style="text-align: center;">   <small>SKMA</small>  <small>— 1979 —</small> </p>	<p style="text-align: center;"> <small>SOUTH KAZAKHSTAN</small>  <b>MEDICAL</b>  <b>ACADEMY</b>  <small>АО «Южно-Казахстанская медицинская академия»</small> </p>
Department of Social and Humanitarian Disciplines			39/11-
Work program for the discipline "Sociology and Political science "			p. 2 of 36

LO 7		Develops programs for resolving conflict situations in society, including professional society.					
LO 8		Correctly expresses and reasonably defends his own opinion on issues of social significance.					
5.1	Discipline's LO	The learning outcomes of the EP related to the discipline's LO					
	LO 1 LO 2	LO 1. Applies fundamental knowledge of biomedical, clinical, epidemiological, and social-behavioral sciences.					
	LO 3 LO 4	LO 2. Provides patient-centered care in the biomedical, clinical, epidemiological and social-behavioral sciences aimed at diagnosing, treating and preventing the most common diseases.					
	LO 5 LO 6	LO 4. Communicates effectively with patients, families and health care providers in an ethical and deontological manner resulting in effective communication and collaboration.					
	LO 7 LO 8	LO 10. Applies scientific principles, methods and knowledge in medical practice based on continuous self-education and development.					
6.	Details of the discipline						
6.1	Venue (building, auditorium): South Kazakhstan Medical Academy, Department of Social and Humanitarian Disciplines.Tokaev st. 27, 10,11,12,13,14,15,16,17 audiences. Phone (ATS): 40-82-22 (226) <a href="mailto:filos.ukgfa@mail.ru">filos.ukgfa@mail.ru</a> If you have any questions about training and / or technical support, please contact by phone and / or e-mail indicated on the site of JSC "SKMA" in the section CALL-Center, Helpdesk on the main page of the site.						
6.2	Number of hours 120	Lectures 8	Practice 32	Laboratory -	SIW 12	SIWT 68	
7.	Information about teachers

Department of Social and Humanitarian Disciplines		39/11-
Work program for the discipline "Sociology and Political science "		p. 23 of 36

	<b>Unsatisfactory</b> Corresponds to the assessment FX (0.5; 25-49) F (0; 0-24%)	from the teacher. - shows lack of knowledge of the material; - does not participate in solving situational problems and in their discussion; - cannot choose the optimal way to solve a situational problem; - does not justify his decision; - answers questions incompletely; - makes fundamental gross mistakes in solving situational problems and in their discussion. - does not participate in the work of the group.
<b>Abstract</b>	<b>Excellent</b> Corresponds to estimates: A (4.0; 95-100%); A- (3.67; 90-94%)	Abstract was completed on time, written independently, the structure fully complies with the requirements. The essay fully reflects the problem under study. The student analyzed the problem, argued his conclusions and presented his own analysis of this problem. Illustrations are given. Answered all questions correctly.
	<b>Good</b> Corresponds to estimates: B + (3.33; 85-89%); B (3.0; 80-84%); B- (2.67; 75-79%) C + (2.33; 70-74%);	Abstract was completed on time, written independently, the structure fully complies with the requirements. Illustrations are given. During the defense, he made inaccuracies in answering questions.
	<b>Satisfactorily</b> Corresponds to estimates: C (2.0; 65-69%); C- (1.67; 60-64%); D + (1.33; 55-59%) D (1.0; 50-54%)	Abstract was completed on time, written independently, the structure fully complies with the requirements. Illustrations are given. When defending, he was poorly oriented in the questions asked. He didn't provide enough reason for his conclusions.
	<b>Unsatisfactory</b> Corresponds to the assessment FX (0.5; 25-49) F (0; 0-24%)	Abstract was not completed on time. The problem is little covered, there is no analysis and own argumentation of the problem, and questions are not answered.
<b>Development of research and creative project</b>	<b>Excellent</b> Corresponds to estimates: A (4.0; 95-100%); A- (3.67; 90-94%)	Research project was completed on time, the structure fully complies with the requirements. The project fully reflects the problem under study. The student analyzed the problem, argued his conclusions and presented his own analysis of this problem. Illustrations are given. Consideration of the problem is

<p style="text-align: center;">Work program for the discipline "Sociology and Political science "</p>		p. 24 of 36

		built on a fairly deep content level. The work has a clear structure. Properly formatted bibliography, correct references and content. Answered all questions correctly.
	<b>Good</b> Corresponds to estimates: B + (3.33; 85-89%); B (3.0; 80-84%); B- (2.67; 75-79%) C + (2.33; 70-74%);	Research project was completed on time, the structure fully complies with the requirements. Illustrations are given. The paper omits some important arguments. During the defense, he made inaccuracies in answering questions.
	<b>Satisfactorily</b> Corresponds to estimates: C (2.0; 65-69%); C- (1.67; 60-64%); D + (1.33; 55-59%) D (1.0; 50-54%)	Research project was completed on time, the structure fully complies with the requirements. Illustrations are given. When defending, he was poorly guided by the questions asked. He did not adequately substantiate his conclusions.
	<b>Unsatisfactory</b> Corresponds to the assessment FX (0.5; 25-49) F (0; 0-24%)	Research project was not completed on time. The choice of a research project is not justified and does not allow solving the stated problem. The problem is little covered, there is no analysis and own argumentation of the problem, He does not answer questions. The relevance of the project is partially justified. There are no references in the work.
<b>Creative work</b>	<b>Excellent</b> Corresponds to estimates: A (4.0; 95-100%); A- (3.67; 90-94%)	Creative work was completed on time, the structure fully complies with the requirements. Creative work fully reflects the problem under study. The student analyzed the problem, argued his conclusions and presented his own analysis of this problem. Illustrations are given. Answered all questions correctly.
	<b>Good</b> Corresponds to estimates: B + (3.33; 85-89%); B (3.0; 80-84%); B- (2.67; 75-79%) C + (2.33; 70-74%);	Creative work was completed on time, the structure fully complies with the requirements. When defending, students demonstrate good knowledge on the topic. Makes non-principled errors when answering questions that he corrects. Creative work fully reflects the problem under study.
	<b>Satisfactorily</b> Corresponds to estimates: C (2.0; 65-69%); C- (1.67; 60-64%); D + (1.33; 55-59%) D (1.0; 50-54%)	Creative work was completed independently on the appointed date, the structure fully complies with the requirements. The creative work has been partially mastered, but the gaps are not significant, most of the task has been completed, it allows for inaccuracies, there is a violation of the logical

<p style="text-align: center;">             O'NTUSTIK-QAZAQSTAN  <b>MEDISINA</b>  <b>AKADEMIASY</b>              «Оңтүстік Қазақстан медицина академиясы» АҚ           </p>

<p style="text-align: center;">Work program for the discipline "Sociology and Political science "</p>		p. 25 of 36

		sequence in the presentation of the material. He didn't provide enough reason for his conclusions.
	<b>Unsatisfactory</b> Corresponds to the assessment FX (0.5; 25-49) F (0; 0-24%)	Creative work was not completed on time. When defending, the student makes gross mistakes when answering questions; he does not know a significant part of the program material of creative work. The problem is little covered, there is no analysis and no own argumentation of the problem.
<b>Comparative analysis</b>	<b>Excellent</b> Corresponds to estimates: A (4.0; 95-100%); A- (3.67; 90-94%)	Comparative analysis was completed in full and on time. All recommendations and requirements for the performance of the work were taken into account. During the defense, the student demonstrates deep knowledge on the topic. The relevance of the research topic is revealed, the conclusions are logical, correspond to the goals and objectives of the work. The optimal amount of literature and sources on the topic was used. The work has a high scientific and methodological or practical significance.
	<b>Good</b> Corresponds to estimates: B + (3.33; 85-89%); B (3.0; 80-84%); B- (2.67; 75-79%); C + (2.33; 70-74%);	Comparative analysis was completed in full and on time. All recommendations and requirements for the performance of the work were taken into account. During the defense, the student shows good knowledge on the topic. Makes minor mistakes when answering questions that he corrects. The content of the work fully complies with the requirements. The paper clearly outlines the purpose and objectives of comparative analysis. Independently analyzes the results, is able to compare and contrast with the known facts described in the scientific literature.
	<b>Satisfactorily</b> Corresponds to estimates: C (2.0; 65-69%); C- (1.67; 60-64%); D + (1.33; 55-59%); D (1.0; 50-54%)	Comparative analysis was performed incompletely and in an unscheduled time frame. Not all recommendations and requirements for the performance of work were taken into account. The content of the work is not fully disclosed. The relevance of the topic is not clearly presented. The optimal amount of literature and sources on the topic has not been used. Insufficient

		reasoning of conclusions. When defending, the student makes fundamental mistakes when answering questions.
	<b>Unsatisfactory</b> Corresponds to the assessment FX (0.5; 25-49) F (0; 0-24%)	Comparative analysis has not performed. The work contains significant errors, the relevance of the topic is not justified, students do not know the facts, do not know how to search for information and its sources. There is no elementary knowledge on the main issues of the topic being studied.

#### Check list for intermediate certification

<b>Test tasks in written form</b>	<b>Excellent</b>	Correct answers from 50 test tasks: 43-50
	<b>Good</b>	Correct answers from 50 test tasks: 33-42
	<b>Satisfactorily</b>	Correct answers from 50 test tasks: 20-32
	<b>Unsatisfactory</b>	Correct answers from 50 test tasks: 0-19
<b>Execution of test tasks</b>	Excellent	90-100% correct answers
	Good	70-89% correct answers
	Satisfactorily	50-69% correct answers
	Unsatisfactory	Less than 50% correct answers

#### Multi-point system of knowledge assessment

Letter grade	Digital equivalent of points	Percentage	Assessment according to the traditional system
A	4,0	95-100	<b>Excellent</b>
A -	3,67	90-94	
B +	3,33	85-89	<b>Good</b>
B	3,0	80-84	
B -	2,67	75-79	
C +	2,33	70-74	
C	2,0	65-69	<b>Satisfactorily</b>
C -	1,67	60-64	
D+	1,33	55-59	
D-	1,0	50-54	
FX	0,5	25-49	<b>Unsatisfactory</b>
F	0	0-24

12.	Discipline's policy
	<p>Requirements for learners:</p> <ol style="list-style-type: none"> <li>1. Learners must complete tasks daily according to the schedule of lectures, practical classes and SWIT classes.</li> <li>2. Have an idea about the topic of the upcoming lecture, be prepared for feedback at the lecture.</li> <li>3. Learners should participate in discussions, complete individual and group assignments, research and other resources.</li> <li>4. Learners should keep track of due dates for assignments.</li> <li>5. Do not miss all types of classes without good reason.</li> <li>6. Perform SIW according to the schedule specified in the program.</li> <li>7. All types of written work of learners are checked for plagiarism.</li> <li>8. The final rating of admission to the exam in the discipline must be at least 50 points (60%)</li> <li>9. If you miss each lecture session, the score for midterm control is reduced by 1 point, if you miss each session of the SIWT, the score for the SIW is reduced by 2 points.</li> <li>10. When calculating the final rating, penalty points for missed lectures and SIW's are deducted from points for foreign control.</li> <li>11. In the context of distance learning, the main information platform is the Platonus automated information system (hereinafter referred to as AIS Platonus). The main monitoring of the educational process is carried out in this system. The tasks are completed by learners only in the AIS Platonus. Additionally, it is possible to use online classes using various information platforms Zoom, Webex, WhatsApp, etc.</li> <li>12. When conducting an online conference in the distance learning format, the attendance of learners is taken into account based on the video broadcast from the account of each of the learners. In the absence of constant visual contact with the learner, the teacher fixes the absence of the lesson for an unexcused reason.</li> <li>13. When conducting an online conference in the distance learning format, the student must comply with the requirements for a neat appearance and not disrupt the course of the lesson.</li> <li>14. Learners must complete assignments daily according to the schedule of lectures, laboratory classes and SIWT, follow the deadlines for submitting assignments (in terms of DOT)</li> </ol>
13.	Academic policy based on the moral and ethical academy values
	<p><a href="https://ukma.kz/ru/">https://ukma.kz/ru/</a></p> <p>P. 4 Code of honor of the learner</p>
13.2	<p><b>SCORING POLICY</b></p> <ol style="list-style-type: none"> <li>1. The lesson uses several forms of knowledge control. The journal is given an average mark.</li> <li>2. A student who does not score a passing score (50%) in one of the types of control (current control, midterm control #1 and / or #2) is not allowed to take the exam in the discipline.</li> <li>3. The final rating of admission to the exam in the discipline must be at least 50 points (60%), which is calculated automatically based on the average score of the current control (40%) + the average score of midterm controls (20%).</li> <li>4. Midterm certification - testing.</li> </ol>
